Pitzer Portal Features

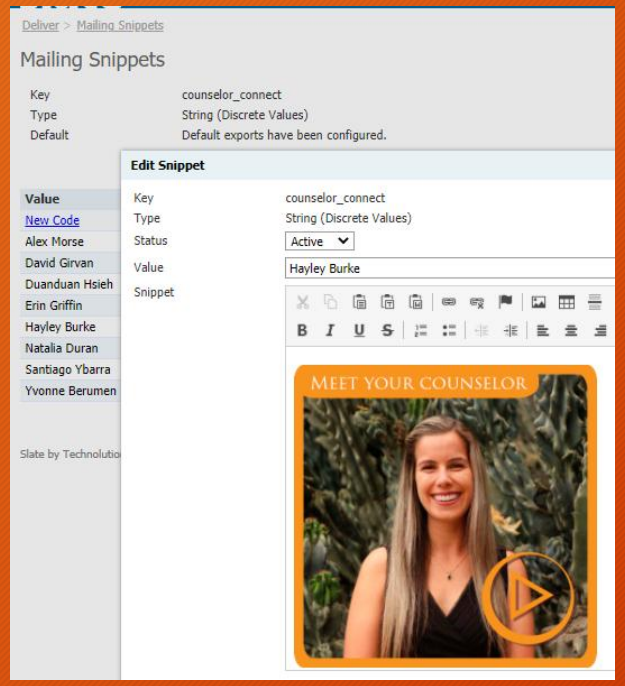

Staff Assigned

Random 63 Things to Do

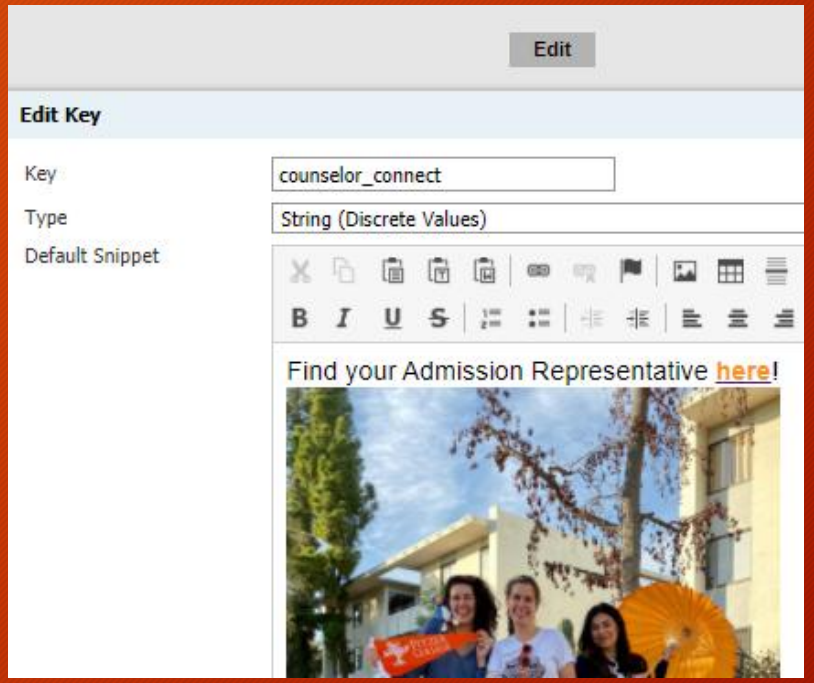

Today in Pitzer History

Staff Assigned Video and Bio - Snippet

Each applicant assign a staff member based on their School location.
Deliver Snippet to create a bio and video for each of our counseling team

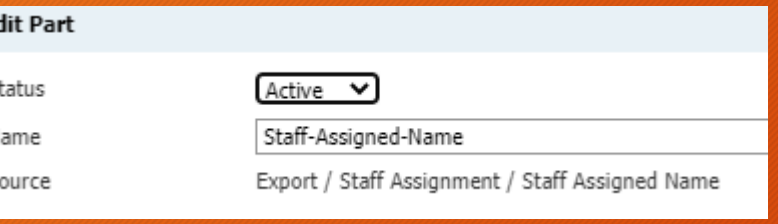

If the applicant does not have a staff assigned or there is not a Snippet for the value, they will get the 'default' value

Staff Assigned Video and Bio - Portal

By adding the appropriate export to the Portal's Query

And something like this to the portal

{% if {{Staff-Assigned-Name}} != '' %}Meet your Admission Representative, **{{Staff-Assigned-First}}**!
{% endif %}{{Staff-Assigned-Name | snippet: "counselor_connect"}}

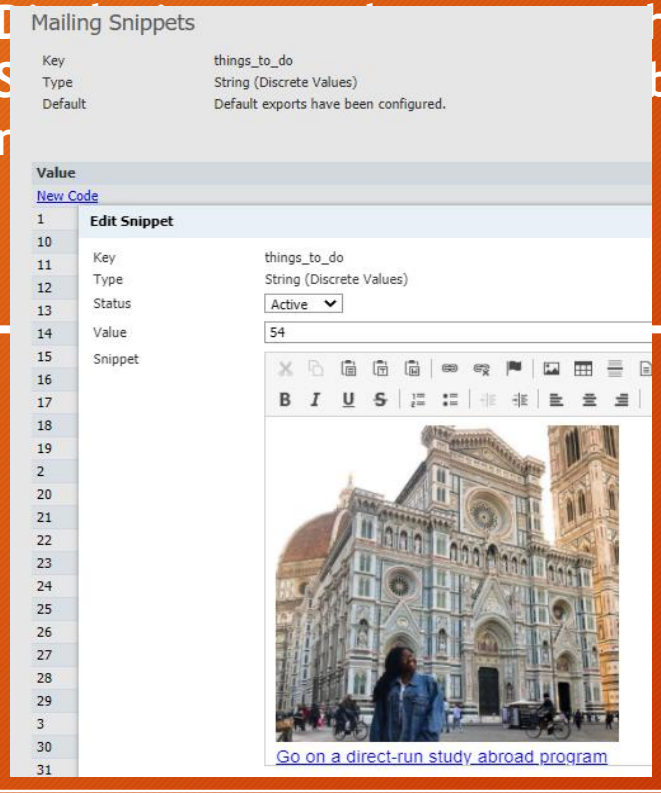

You get a custo applicant

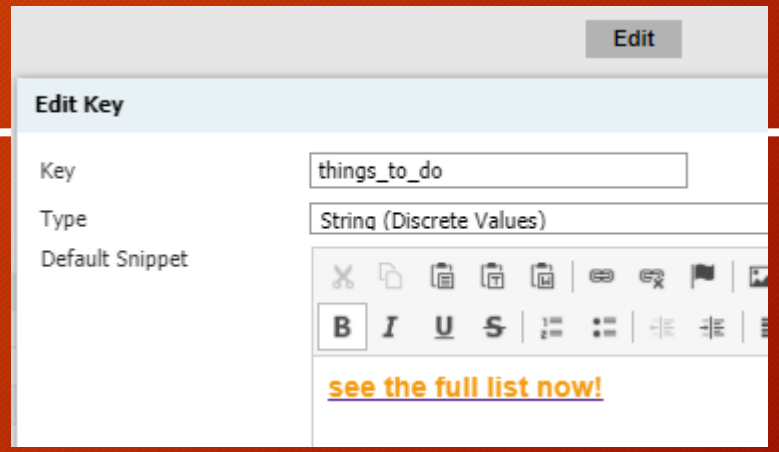

Random Content - Snippet

We have a ‘63 Things To Do be Graduating’ promotional material

D… …he Applicant S… …be n…

While building the content and in case something breaks, including a ‘Default’ that link directly to pdf

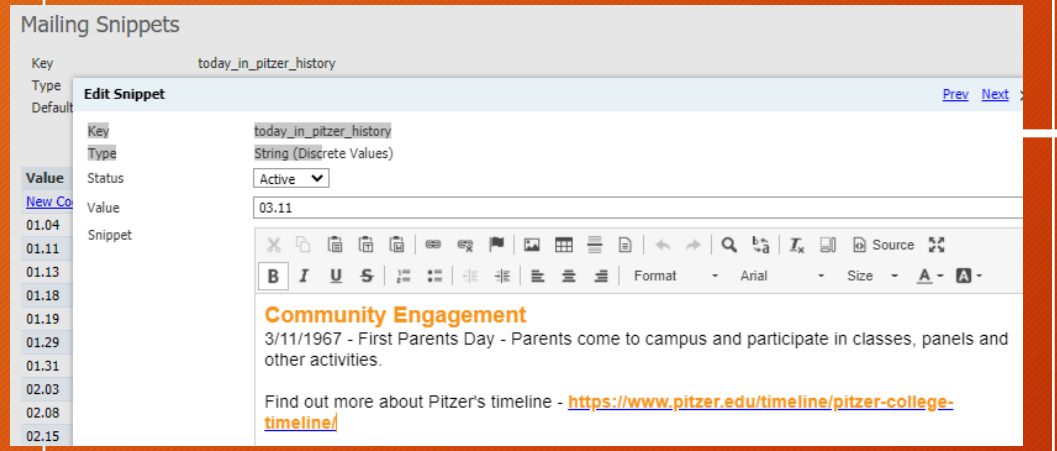

Random Content - Portal

By adding the appropriate formula to the Portal's Query. This gives a number between 1 and 63 (the number of Snippets)	And something like this to the portal	You get a custom bio for the applica
Edit Part Status: Active Name: Random-1-63 Source: Custom SQL SQL: floor(rand()*63) + 1	**Excited to become a Sagehen?** Here's #{{Random-1-63}} of the 63 things every Pitzer student should do before they graduate {{Random-1-63 | snippet: "things_to_do"}} Come back later to learn about another (or see the	

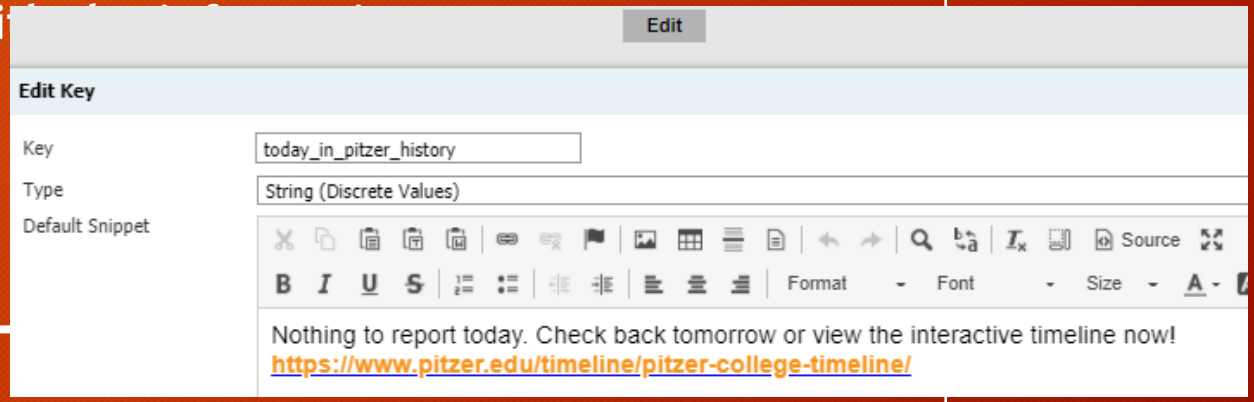

Today in Pitzer History - Snippet

We have a Timeline of notable events Name/Value must match the date format of your Portal query. Do not include years

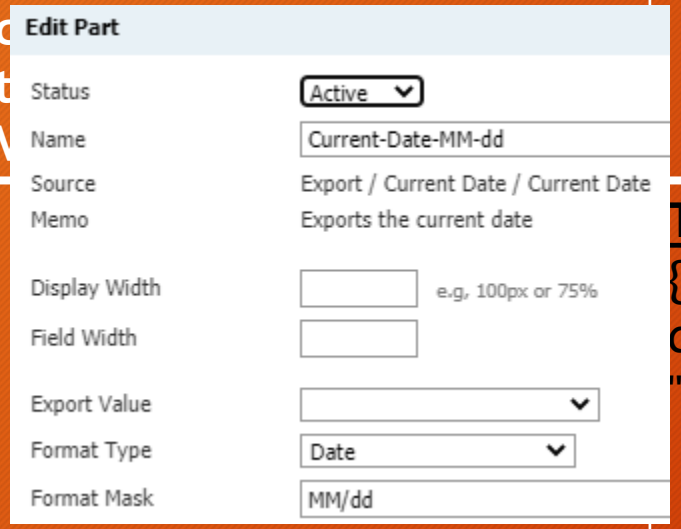

For days that do not have a notable event, we have 'Default' that links to a webpage wi
